(+91) - 8764161422

Summary:

Frontend-focused Full Stack Developer with strong problem-solving skills and experience building responsive, scalable web applications. Proficient in modern frontend frameworks, backend systems, and REST APIs. Passionate about product development, user experience, and clean, efficient code.

Education:

Poornima college of engineering — Jaipur

Bachelor of Technology in Information Technology — *July 2023 - July 2027*

CGPA - 9.60

Experience:

FullStack Intern — Jaipur

STPI - Software Technology Parks of India — *June 2025 - July 2025*

- Built and optimized full-stack web applications using React, Node.js, and MongoDB during a 45-day internship at STPI
- Improved application performance and debugging efficiency through structured development practices.

Skills:

Languages: C, C++, Java, JavaScript

Tech Stack: React, Tailwind CSS, Node.js, Express, Spring Boot

Databases: MongoDB, PostgreSQL, SQL

Tools: Git, Postman, REST APIs

Projects:

HackZen - Hackathon Management Platform

- Developed a scalable hackathon platform for registrations, team formation, and event workflows
- Built REST APIs for efficient data handling and optimized database queries for performance.
- Implemented responsive UI using React and Tailwind CSS for seamless user experience

SmartInboxAI - AI Email Assistant (Full Stack)

- Built an AI-powered email assistant with a responsive UI using React and Tailwind CSS
- IntegratedGmail API and Google OAuth for seamless user authentication and email management
- Implemented AI-based features (summaries, smart replies, follow-ups) using Gemini API

Cryptify - Web3-based decentralized payment dApp with escrow and username transfers.

- Contributed to **Cryptify**, a Web3 payment dApp enabling username-based transfers and escrow contracts.

Honors & Rewards:

- Secured **2nd Prize** ($1000) at MetaMask × HackQuest DevCook Global Hackathon.
- **Health Track Winner** at **CosmoCloud Hackathon 2024**
- Secured **2nd position** among 100+ teams at **TEK Connect 2024** (National Hackathon)
- Recognized for **VibeTribe**, ranked in the **Top 10** at **DCGC 2.0 (2024)** and selected as a **Top 20 Project** at **Fair 3 Hackathon 2025**
- Secured 6th position by **Cryptify** in the Earn domain at **Educhain Semester 3 Hackathon**.
- **Section Topper** (Silver Medalist) **–** B.Tech IT, 2023–24, Poornima College of Engineering.
